

17 unit DGM 850 & Goss Urbanite Press, 22.00” cutoff

- 10 DGM 850 units new in 2002
- 7 Goss Urbanite units from mid to late 1980's
- 1 DGM 1050 folder with upper former board
- 8 Jardis Pasters
- Three Fincor 150 hp Digital drives & Motors
- Operators console
- Solution mixing system model PMF 202
- Complete press

The 10 unit, 1 folder, 8 paster, DGM 850 press was purchased new in 2002 by Fall River, MA and subsequently sold into Mexico in 2012 to a start-up newspaper. Seven Goss Urbanite units from Crystal Lake, IL were also purchased and included in the configuration. The new owner repaired, cleaned and painted the press but never started up production due to lack of advertising contracts.
