

9 units of 1300 series Urbanite & folder with upper former.

ASKING \$150,000.00 for all.

The press was rebuilt in 2001 and put into operation at a 14,000 daily, shut down this plant in 2009.
Pictures of the press prior to it being shut down in 2009.

The press no longer has the 3 color UOP unit, roll stands or 1/4 folder.

There are 2 x 150 HP analog Fincor Drives but would suggest new drives.
